

STATE SQUIBS.

ARRETEVILLE.—The anti-dispe
ple of this community already

petitions before the General Assembly, and it is a very numerous paper. But the friends of the cause are stubbornly contented, and declare that this maintaining the liquor question has strength and popularity, and a measure placed before the question would be enthusiastically received. The statistics of the business

July 1, 1927, are instructive and significant. The net profits of the company for the year ended July 1, 1927, were \$11,000, and it is

city that, beginning with a median of between \$300 and \$500 are steadily increased to \$900 net profit for the month. The dispensary adequately point to this exhibit if the town and county can secure their large share of this revenue.

CHARLOTTE.—The attendance at the poultry show was not large, but the occasion was very much gratified by the quality of the exhibits. They were judged by a most experienced breeder and fancier of 25 years experience, Mr. D. M. O. Pitts, secretary, who pronounced the best of it, and the high exhibits, he has never regarded. All that is necessary to Charlotte Poultry and Pet Association one of the finest

Col Robert L. Abernathy, of View Farm, had the largest

tion, 23 birds in all, eochins, lorns and silver wyandottes. The sale of the show—Mr. E. B. Watts, of the city—was a success. The eochins which weighed four pounds—was almost a monstrosity. Mr. Watts said he had never seen one that would compare with this standard weight of these chickens. Mr. Watts value was \$150.00. The sale was held at \$150.00.

the Fear and Yadkin Valley R.R. A great deal of testimony

by J. W. Fries, receiver of the State Company, and Dr. V. Desbrow, of Greensboro. The meeting to meet again at some time fixed by the referee. He will pay the amounts due all creditors.

Record.—The annual meeting of the stockholders of the Moore and Western Railroad was held here yesterday. The work on the road last year showed up as well as expected, taking into consideration the bad country through which the force has been at work for the rails to be laid on eight miles recently graded. It is made. The contract for the completion of the road to the Port...

ber, though it is not thought
it will take that much time.

annual meeting of the M. P. S. Society for the Prevention of Cruelty to Animals, was held in A. Capt. Charles E. Clark, of the town, was among those who attended, and took active interest in the proceedings. A proposition was made by Capt. Clark an honorary member of the society, but the hero of the war declined to be received as an active member, and he withdrew. He made a brief talk, expressing his thorough sympathy with the society, and thought to be accomplished by the society.

HEVILLIE.—Dr. Karl von F. is the proprietor of the Winyah Sanitarium, a new street, has let the contractor for the erection of a new sanitarium building on Hillside street.

and wood work will be done by Dawson, the cost being \$100. The contract for the pl

begin in a few days, and
ture is to be completed in

The directors of the Salisbury Co.
held their regular annual m
and all the present officers
ected. The usual quarterly
of 2 per cent. was declared.

RECORD.—The annual election o
on-Ramsour Chapter of
chters of the Confederacy,
Friday according to the re
nation that it be held on
birthday. The officers of the
were re-elected as follows:
F. Allison, president; Miss L
Mrs. D.

J. M. Odell, R. A. Brown,

—In the course of a Justice W. E. Powe, it was said that there is a gold mine operating in this county, with an office in Syracuse, N. Y., capitalized at \$1,250,000. A Cincinnatian is said to be the owner of shares of the stock. The statements are genuine works of a fraudster and are not yet in evidence.

—Highway robbers held a member of a team belonging to M. E. McCown, of this city, at this side of Chapel Street, near Cedar Lane, the colored driver, plundered of all the cash he had on person, amounting to \$1.75. There were four men, all who would not recognize any of the
